Chris Isaak - Baby Baby

(Chords:) **E, A, B** (sus-chords occasionally)

E

I said I didn t want to talk about love
Cause I d been hurt so bad
Love is just a lot of pretty words
That leave you feeling sad

A

Then you held me close and
You whispered soft and low

E

You didn t say that much
But you told me what I needed to know

B E B E

You just said baby, baby

B

E

That s all you said

E

Well its not easy to talk when you got so much to say
And I met a lot of girls but I
Never really felt this way

A

I held you close
And we stayed close all that night

E

The way that you held me told me everything would be alright

B E B E

You just said baby, baby

B

E

That s all you say

A

E

I don t believe I am ever going to let you go

A

B

No, I don t believe I ll be searching for love any more

E

A

E

Baby, Baby

B E B E

You just said baby, baby

B

E

That s all you say

E **B E B E**

You whispered baby baby

B **E**

That s all you say

E

That s all you say

That s all you say
