Chris Isaak - Forever Young

(Intro: repeat **D** and **G**)

D **G**
I knew the first time we met we d be lovers.

D **G**
The last time we kissed I was blue.

D **G**
The first time you left I discovered.

D **G**
That there won t be another like you.

D **G**
Forever young.

D **G**
Love will always be,

D **G**
Forever young.

D **G**
Love will always be.

(Solo: repeat **D** and **G**)

Every day you were gone I was lonely.
Each night you were gone I was blue.
Now darling I ll be with you only.
And our love will always be true.

Forever young.
Love will always be,
Forever young.
Our love will always be.

(Solo: repeat **D** and **G**)

F **C** **F** **C** **D**
And to the end I know, that I will love only you.

I knew the first time we meet we d be lovers.
The last time we kissed I was blue.
The first time you left I discovered.
That there won t be another like you.

Forever young.
Love will always be,

Forever young.

Love will always be. Hey!

(Solo: repeat D and G...)
