Forever Young Chris Isaak Chris Isaak - Forever Young (Intro: repeat **D** and **G**) D G I knew the first time we met we d be lovers. D G The last time we kissed I was blue. D G The first time you left I discovered. G D That there won t be another like you. G D Forever young. D G Love will always be, D G Forever young. D G Love will always be. (Solo: repeat **D** and **G**) Every day you were gone I was lonely. Each night you were gone I was blue. Now darling I ll be with you only. And our love will always be true. Forever young. Love will always be, Forever young. Our love will always be. (Solo: repeat **D** and **G**) \mathbf{F} C \mathbf{F} С D And to the end I know, that I will love only you. I knew the first time we meet we d be lovers. The last time we kissed I was blue. The first time you left I discovered. That there won t be another like you. Forever young. Love will always be,

```
Forever young.
Love will always be. Hey!
```

(Solo: repeat D and G...)
