Once again my famous line for Chris s songs. It s really easy to play if you sit down and listen to it. The song sounds kind of bare without all the fill riffs, but you can either fill it with something or just strum along like Chris does:) The B-flat chord may not be the actual name of the chord but I believe it is, so as to not confuse anybody I ve listed a chord chart below. So have fun with it, sweep some girl off her feet with it, cause it s Chris Isaak 95....Dig It!
