Chris Isaak - Things Go Wrong

(Intro: **C#**)

C#

Trying to rememeber what I know I should forget.

Trying to forget her but I really haven t yet.

F# **C#**

Things go wrong, things go wrong.

C#

Trying to rememeber what it was I said you d done.

Really doesn t matter cause you re still my only one.

F# **F7**

Things go wrong, things go wrong.

F# **C#**

I know that love can sometimes change.

F# **C#**

But in my heart I feel the same.

F# **C#**

Don t be so quick to say we re through.

G# **C#**

Things go wrong, but I still love you.

(A brief solo: **C#**)

C# **F#** **F7**

Things go wrong, things go wrong.

F# **C#**

Don t tell me that your love has changed.

F# **C#**

Don t tell me it can t be the same.

F# **C#**

Don t be so quick to say we re through.

G# **C#**

Things go wrong, but I still love you.

C#

I still love you, I still love you, I still love you.
