Chris Isaak - Western Stars

(Intro: **B**)

B
Western stars light up the sky, feel the desert wind roll by.

E **B**
Tonight, tonight.

B
Western stars can break your heart, they keep shining when we re apart.

E **B**
Tonight, tonight.

E **B**
I ll watch, I ll wait, how long will my heart ache tonight?
Tonight.

E **B**
I ll watch, I ll wait, my heart is bound to break tonight.

B **E**
Western stars light up the sky, tonight I m alone to cry.

B
Tonight, like every night.

B
A western hero must play his part, even though it will break his heart.

E **B**
Tonight, oh tonight.

E **B**
I ll watch, I ll wait, how long will my heart ache tonight
Tonight.

B
Western stars light up the sky, feel the desert wind roll by.

E **B**
Tonight, tonight, tonight, tonight.
