A Pretty Good Guy

There s a [G] couple old people live across the road  
I keep the [C] volume down on my radio [Bb/G]  
All the [G] neighbors say when [D] I walk by  
He s a [G] pretty good guy

I m certified in CPR  
And if you [C] asked me to I d fix your car [Bb/G]  
It s just the [G] way I am  
I got a [D] pretty good life  
I m a [G] pretty good guy

Just [C] one good man  
All the good ones are gone  
Hey [Am] play it again  
I [D] like that song

There s a [G] pretty good guy  
Walking up the street  
And you d [C] be surprised  
He looks a lot like me [Bb/G]  
Since [G] you ve been gone I ve [D] realized  
That [C] you were wrong [Bb/G]  
I m a [G] pretty good guy  
And it[C] didn t take long.....[Bb/G]  
I m a [G] pretty good guy
