Another Friday night
In this Oil Patch town
Keep the beers outta sight
When the State Troopers come around
We ainÂ't lookin for trouble
Wouldnt mind a fight
What else you going to do
Its Just another Friday night

Billy says lets get it on
Lendell just slugs him
Thats bout all the fightin that got done
Sheriff pulls up he says what you Hoodlems doing
Ahh nothing much Junior just tryin to have some fun
He has acting tough taking down names
And shuttin us down
But at least we got smth to talk about
When Monday rolls around
