North Dakota - A Pretty Good Guy - Chris Knight
Capo 5

Am C Dm F Am C G

Am **C**
Been snowin all day when I got home
Dm **F**
The fire was out the cabin was cold
Am **C** **G**
And I poured some stale coffee from the pot
Am **C**
The longer I waited the snow got higher
Dm **F**
So I split some wood and built a fire
Am **C** **G**
If she told me sheâ€™d be gone I forgot

Iâ€™d seen it snow that hard before
I couldnâ€™t see the cabin from the stable door
And that mare she always rode was in the stall
The law couldnâ€™t come till the weather broke
My heart was poundin in my throat
And I searched and called her name till it was raw

I never should have brought her here
Livinâ€™s rough this time of year
Tryin to keep food and fire till winters done
Sometimes she gazed across the plains
With a look that I couldnâ€™t name
And Iâ€™d wonder if she stay till springtime comes

I found her on the first warm day
The rain had washed the snow away
Went for wood and lost her way back home
And I ainâ€™t the kind believes in ghosts
But some nights I get pretty close
When the North Dakota winter moans
When the North Dakota winter moans  
If you do not like to play the song with the capo you can also play in standard
tuning with these chords:

Dm F Gm Bb Dm F C

Enjoy!!
