

I Dont Know About You
Chris Lane

[Verse 1]

I don t know about you
But I never come into this bar
On a Thursday before 10 o clock
But I thought what the hell, why not?

I don t know about you
But I never walk up and talk to
A stranger but when I saw you
I had to, I just had to

[Pre-Chorus]

Girl, I know your favourite beer
Cause you told me and I bought it
You can leave me sitting right here
But if you feel like talking

[Chorus]

What s your name, what s your sign, what s your birthday?
What s your wrist tattoo bible verse say?
Tell me this, do you kiss on the first date?
Don t hold anything back (don t hold anything back)

What s your dream job?

Girl, where s your hometown?

Yeah, what makes your world spin round and around?

F **C**
And are you down to get out of here too?

Am **G** **F** **C** **Am** **G**
Tell me everything till there s nothing I don t know about you

[Verse 2]

F
I don t know about you
C **Am**
We can dip, we can slip out the back
G **F**
Flee the scene, put your feet on my dash
C **Am** **G**
Find a spot past the railroad tracks and never look back

But before that
