

Let Me Love You
Chris Lane

[Verse 1]

G

Baby I just don t get it

D

Do you enjoy being hurt?

Em

I know you smelled the perfume

C

The make-up on his shirt

G

You don t believe his stories

D

You know that they re all lies

Em

Bad as you are, you stick around

C

And I just don t know why

[Pre-Chorus]

G

If I was your man, baby you d

D

Never worry about what I do

Em

I d be coming home back to you

C

Every night, doing you right

G

You re the type of woman deserves good things

D

A fistful of diamonds, a hand full of rings

Em

C

Baby you re a star, I just want to show you are

[Chorus]

G

You should let me love you

D

Let me be the one to

Em

Give you everything you want and need

C

Baby, good love and protection

G

Make me your selection

D

Show you how true love s supposed to be

Em

Baby, you should let me love you

C

Love you, love you, love you

Yeah, Listen

[Verse 2]

G

Your true beautyâ€™s description

D

Look so good that it hurts

Em

You re a dime plus 99

C

And it s a shame, don t even know what you re worth

G

Everywhere you go, they stop and stare

D

Cause you re bad and it shows

Em

From your head to your toes

C

Out of control, baby you know

[Pre-Chorus]

G

If I was your man, baby you d

D

Never worry about what I do

Em

I d be coming home back to you

C

Every night, doing you right

G

You re the type of woman deserves good things

D

A fistful of diamonds, a hand full of rings

Em

C

Baby you re a star, I just want to show you are

[Chorus]

G

You should let me love you

D

Let me be the one to

Em

Give you everything you want and need

C

Baby, good love and protection

G

Make me your selection

D

Show you how true love s supposed to be

Em

Baby, you should let me love you

C

Love you, love you, love you

[Pre-Chorus]

G

If I was your man, baby you d

D

Never worry about what I do

Em

I d be coming home back to you

C

Every night, doing you right

G

You re the type of woman deserves good things

D

A fistful of diamonds, a hand full of rings

Em

C

Baby you re a star, I just want to show you are

[Chorus]

G

You should let me love you

D

Let me be the one to

Em

Give you everything you want and need

C

Baby, good love and protection

G

Make me your selection

D

Show you how true love s supposed to be

Em

Baby, you should let me love you

C

Love you, love you, love you
