B **E** **B**
I want the whole world to know about me

F# **B** **F#**
In the rodeo arena I ll take my stand
F# **B** **F#**
I wanna be known as a rodeo man
B **F#**
I ll come flyin from the chute with my spurs up high
C# **F#**
Chaps and boots reachin for the sky
B **F#**
Spurrin wild with my head flung back
C# **F#**
You ll ask who s that well that s Bareback Jack
C# **F#**
You ll ask who s that well that s Bareback Jack

F# **B** **F#**
The years of boyhood now have passed
F# **B** **F#**
Didnt take long I learned the tricks real fast
B **E** **B**
Now I m goin down the road with my rodeo gear
B **E** **B**
And I hope to make the finals in just a few years

B **E** **B**
And when my chance comes I ll give it a whirl
B **E** **B**
Try to win the championship of the world
E **B**
I ll come flyin from the chute with my spurs up high
F# **B**
Chaps and boots reachin for the sky
