

Ridin For A Fall
Chris LeDoux

Another excellent song from Chris Ledoux.

Ridin For A Fall
Chris Ledoux

C **G** **Am** **G**
Last night you told her, you could never hold her

F **G**
Cause cowboys just got to be free

C **G** **Am** **G**
Her heart was breakin , and yours was achin

F **G** **C**
But you saddled up to follow your dreams

C **G** **Am** **G**
Coffee on your campfire, wind through the barbed wire

F **G**
You huddle close to the flames

C **G** **Am** **G**
Though she s far behind you, the night wind reminds you

F **G** **C**
It just keeps on whispering her name

Chorus:

G **F** **C**
You can make a run for the border

G **F** **C**
Try to hide in the hole in the wall

Am **G**
But don t you know your arms are achin to hold her

F **G**
And cowboy even though you re ridin tall

C
Your ridin for a fall

C **G** **Am** **G**
Midnight the moons up, hands around your tin cup

F **G**
The frost settles in on the sage

C **G** **Am** **G**
The night s gettin colder, and man your gettin older

F **G** **C**
Tonight your feelin your age

C **G** **Am** **G**

So why don't you turn back, just saddle up and back track

F

G
