

Ridin For A Fall
Chris LeDoux

Another excellent song from Chris Ledoux.

Ridin For A Fall
Chris Ledoux

E **B** **C#m** **B**
Last night you told her, you could never hold her

A **B**
Cause cowboys just got to be free

E **B** **C#m** **B**
Her heart was breakin , and yours was achin

A **B** **E**
But you saddled up to follow your dreams

E **B** **C#m** **B**
Coffee on your campfire, wind through the barbed wire

A **B**
You huddle close to the flames

E **B** **C#m** **B**
Though she s far behind you, the night wind reminds you

A **B** **E**
It just keeps on whispering her name

Chorus:

B **A** **E**
You can make a run for the border

B **A** **E**
Try to hide in the hole in the wall

C#m **B**
But don t you know your arms are achin to hold her

A **B**
And cowboy even though you re ridin tall

E
Your ridin for a fall

E **B** **C#m** **B**
Midnight the moons up, hands around your tin cup

A **B**
The frost settles in on the sage

E **B** **C#m** **B**
The night s gettin colder, and man your gettin older

A **B** **E**
Tonight your feelin your age

E **B** **C#m** **B**

So why don't you turn back, just saddle up and back track

A

B

You know you'll never find a love quite like hers

E

B

And tell me, on a cold lonesome evenin

C#m

B

What the hell good's your freedom

A

B

E

Don't you think it's time you hung up your spurs
