I feel Love, I feel safe, I feel Jesus in this place
G **Am** **C** **G**
I feel a warmth within me, I can't describe it but I believe

G **Am** **C** **G**
I feel peace, I feel light, I see my stains turn pure white
G **Am** **C** **G**
I feel a burden lift from me as I raise my hands up and I sing

G **Am** **C** **G**
Glory, glory, glory to the King

G **Am** **C** **G**
I hear weeping around me, tears of healing the Spirit brings
G **Am** **C** **G**
I hear the moving of angels wings and all their voices as they sing

G **Am** **C** **G**
Glory, glory, glory to the King
G **Am** **C** **G**
Glory, glory, glory to the King
Em **Am** **C**
Glory, glory, glory to the King
