**Am G Fmaj7 G**  
I ve got enough to get me where she ll be  
**Am G**  
Skin is burning  
**Fmaj7 G**  
The heart s on fire  
**Am G**  
Take my own dream  
**Fmaj7 G**  
To the sea  
**Am G**  
All I know is  
**Fmaj7 G**  
She will be there  
**Am G**  
Turn it up  
**Fmaj7 G**  
Turn it on  
**Am G Fmaj7 G**  
All summer long

**G**  
Turn it up

Look ahead  
There s nothing but blue sky  
Kiss the rain  
And laugh as it goes by  
Learn to smile  
While everyone else cries  
Sing this song  
All summer long  
All summer long

**G**  
Turn it up

I ve been waiting  
Through the winter

I ve been dreaming  
Of this day  
All I know is  
She will be there  
Turn it up  
Turn it on  
Turn it up  
Turn it on  
All summer long
