

Julia

Chris Rea

Chris Rea, Julia.

JULIA by Chris Rea

Album: Espresso Logic

[Intro] E A B

E A

Eyes so bright

B E A B

So big and wide

E

Make you feel so strange

A B E A B

Somewhere deep inside

E

Itâ€™s the face of an angel

A B E A B

The soul of the devil-may-care

E

How Iâ€™d love to know

A B E A B

What goes on in there

Emaj7 A

She needs your love

F#m7 B7

She needs it everyday

Emaj7 A

But speak of love

F#m7 B7sus4 B7

See her laugh and run away

E A B E A B

Julia, which way will you go

E A B E A B

Julia, I wanna know

E A B E A B

Julia, only the moon and stars

E A B E B A

Julia, know just where you are

E Esus4 E Emaj9 E6add9 B7 A E B7

Julia

See the dance

That needs no alibi

Oh, you donâ€™t need to dream
When you know you can fly
She needs your love
She needs it everyday
But speak of love
See her love and run away

E A B E A B

Julia, which way will you go

E A B E A B

Julia, I wanna know

E A B E A B

Julia, only the moon and stars

E A B E B A

Julia, know just where you are

E Esus4 E Emaj9 E6add9 B7 A E B7

Julia
