E **G#m7**
Once there was a summer love
A **Ema j7** Fm7dim5
Long ago and far away
F#m F#m7dim5 **E** **C#m**
The autumn whispers to the falling leaves
F#m7 **Am**
Summer love can?t stay

E **G#m7**
This was their place this was where
A **Ema j7** Fm7dim5
Just for one moment without cares
F#m F#m7dim5 **E** **C#m**
Two lovers dream of how the world should be
F#m7 **E**
Please bring back my summer love to me

G#m
Did you have to go
A
Did I have to stay
G#m **A**
Did you have to go away
G#m
Now it?s all gone
A
But who can forget
F#m7
Summer love
A **B7**
Sweet summer love

I see your shadow everywhere
I feel your smile though you?re not there
A kiss for every star in the sky way above
You?ll always be my one and only summer love
