Chris Rea - You must be evil
(tabed by tetkinsin) 2011

A

I come home from work
I see my little girl

G

She s crying on the floor

F

She s been watching that TV

This ain t late no,
this ain t even dinner time
To show them things on that screen
What s wrong with you

You must be evil

Oh I know why you do it
You re just looking for sensation
You got a hold of something
You tell us that it s news

You don t have to show that stuff
Can t you show us some respect
You can tell us we don t need to see it
We don t need those cheap effects

You must be evil
You must be evil
I wish you were here

You don t have to show that stuff
You ain t fooling no-one
You made my little girl cry
I wish you were here

We all know why you do it
Sometimes you even slow it down
You re giving out some bad ideas here
I can t believe that you don t realise

You must be evil
