[Verse]

D D/C# Bm D/F#  
Fading memories ignored  
G D/F# Em7 D  
I crawl across the forest floor  
D D/C# Bm D/F#  
Pool reflects an orphan child  
G D/F# Em7 D  
Dirty, lost, alone and wild  
D D/C# Bm D/F#  
Fatherless and nameless still

Fallen heart and broken, will  
D Bm Em7 A7sus D  
there ever be a place where I belong

[Verse 2]

D D/C# Bm D/F#  
I cower "neath the monster trees  
G D/F# Em7 D  
And try to stand on tired feet  
D D/C# Bm D/F#  
But gravity knocks me to the ground  
G D/F# Em7 D  
Where I give up, and tears roll down  
D D/C# Bm D/F#  
I claw the dust and beg the end  
G D/F# Em7 A7  
Curse the day that I began  
D Bm Em7 A7sus D  
to hope there d be a place where I belong

I hear a sound I recognize

Song of love You sing to me  
G D/F# Em7 D
