[Verse]

D D/C# Bm D/F#
Fading memories ignored
G D/F# Em7 D
I crawl across the forest floor
D D/C# Bm D/F#
Pool reflects an orphan child
G D/F# Em7 D
Dirty, lost, alone and wild
D D/C# Bm D/F#
Fatherless and nameless still
G D/F# Em7 A7
Fallen heart and broken, will
D Bm Em7 A7sus D
there ever be a place where I belong

[Verse 2]

D D/C# Bm D/F#
I cower underneath the monster trees
G D/F# Em7 D
And try to stand on tired feet
D D/C# Bm D/F#
But gravity knocks me to the ground
G D/F# Em7 D
Where I give up, and tears roll down
D D/C# Bm D/F#
I claw the dust and beg the end
G D/F# Em7 A7
Curse the day that I began
D Bm Em7 A7sus D
to hope there d be a place where I belong

[Verse 3]

D D/C# Bm D/F#
I hear a sound I recognize
G D/F# Em7 D
You lift my chin and seek my eyes
D D/C# Bm D/F#
Song of love You sing to me
G D/F# Em7 D
I ache to sing it back to Thee
D D/C# Bm D/F#
Father Love prepares a place
G D/F# Em7 A7
Brother Jesus leads the way
D Bm Em7 A7sus D
Follow to the place where you belong!
