

Breakfast Table
Chris Rice

Capo 2

Verse 1

G
Was it a million miles to heaven
C
Too far to hear my lonely song
G **C** **Csus**
Or is it just my imagination I hear you humming along
G
I only hold you in my dreams now
C
I wake up with cold and empty arms

Pre Chorus

Am **C**
Lord help me get through this long night without you
Am **C**
And soon as the morning comes
Am **C** (Ring out)
Soon as the morning comes

D **G** **C**
Save me a seat at the breakfast table
D **G** **C**
Save me a dance around the Milky Way

All Iâ€™ve wanted to say
D **G** **C**
Save me a smile and an angelâ€™s feather
D **G** **C**
Save me a walk down the streets of gold
Em **A**

And maybe weâ€™ll just fly away
G C D **G C D**
Or maybe weâ€™ll st-a-y st-a-y
