

Lemonade

Chris Rice

C

So go ahead and ask her

G

For happy ever after

D

Cause nobody knows what s coming

C

So why not take a chance on loving

C

Come on, pour the glass and tempt me

G

Either half-full or half-empty

D

Cause if it all comes down to flavor

The glass is tipping in my favor

G

D

Em

C

Life gave me lemonade and I can t imagine why

G

D

Em

C

Born on a sunny day, beneath a tangerine sky

G

D

I live life without pretending

Em

C

I m a sucker for happy endings

G

D

C

Thanks for the lemonade

G

D

C

Thanks for the lemonade

C

Now take your time to answer me

G

For the beauty of romancing

D

Is to calm your trembling hand with mine

C

While begging love to fill your eyes

C

I can hardly breathe while waiting

G

To find out what your heart is saying

D

And as we re swirling in this flavor

The world is tilting in our favor

Repeat Chorus:

Bm

I ve got it made

Rest in the shade

C

And hold my love

While God above

G

Stirs with a spoon

We share the moon

D

Smile at the bees

More sugar please

G

He really loves us after all

Em

We re gonna need another straw

C

Em D

We re gonna need another straw
