{verse}

D **C** **G**
Sing me a song like the wants of the river
Tell me a tale of the wolves
Make me a gift of arrow and quiver
Love me child of the moon
Bring me the bark from the burnt trees of Mayfair
Recite me ancient verse
Control the powers of wondrous color
or unspeakable one word curse

{chorus}

Em **G** **A** (**G F#**)
Roll me like a tumbleweed in Eden
All the way home
Roll me like a tumbleweed in Eden
All the way home

{verse}

Go ring the bells of solom forwarning
Chew on the bitteress roots
Go throw your rope speak in split tongue charming
Go shine your pair of black boots

{chorus}

Roll me like a tumbleweed in Eden
All the way home
Roll me like a tumbleweed in Eden
All the way home

{bridge}

C **D**
And there I ll stay
C **G** **C** **Em** **Bb** **D**
Lock me away until the day that you love me

{verse}

So bring back the days of my emerald wanderings
Dream in a wide open sky

Never forget my drunken stumblings
And I ll see you in the by and by

{chorus}
