[Intro]

G D C
G D C

[Verse]

G D C G D C
Promise me now that you ll listen to what I might say,
G D C G D C
Heed the words that you heard you can t always have it your way,
G D C G D C
If there s something you cannot quite get let me know,
G D C G D G
I may not be a farmer but I ve got some seeds to sow.
C G
You fight a good fight with your fist,
A D
But I m afraid that your argument s missed it s mark,
C D G D C G D C
You re fumbling for candles when others can see in the dark.

[Verse]

G D C G D C
Can t you see the destruction and the panic that you cause,
G D C G D C
The disgrace on my face doesn t put you above the law,
G D C G D C
And the oath that you took by the book was your word,
G D C G D G
Just to think that you ll walk in and win, well you know that that s absurd.
C G
You cannot demand my respect,
A D
Your actions will always reflect your heart.
C D G D C G D C
You re fumbling for candles when others can see in the dark.

[Refrain]

Bm C

You say you re going to go away and think it over,

Bm C

Well I ve heard that all before,

Bm C

You say you re going to fight the fights and win the battles,

Cm D D7

But you ll never win the war.

[Verse]

G D C G D C

Say your goodbyes and farewell take your leave while you can,

G D C G D C

You came in like a lion you can leave like a man,

G D C G D C

Think about history before it decides on your fate,

G D C G D G

Take a stand, put your hand in my hand, before it s too late.

C G

Don t tell me you don t understand,

A D

You can start it by ripping your plans apart,

C D

You re fumbling for candles when others can see,

C D

You re fumbling for candles when others can see,

C D

You re fumbling for candles when others can see what you ve done to your family,
your friends and the free,

C D

G D C

You re fumbling for candles when others can see in the dark.

G D C

They can see in the dark,

G D C

They can see in the dark,

G D C

They can see in the dark,

[Outro]

C C C G
