

The Posthumous Love Song
Chris Robson

Posthumous Love Song by Chris Robson

[Intro]

G Cadd9 G D
G Cadd9 G D

[verse]

G Cadd9
I scream out your name in the dead of the night,
G Cadd9
Sweating and shaking I turn on the light,
G Cadd9 D
Itâ€™s like you are with me but really thereâ€™s nobody there.
G Cadd9
The daily specials boardâ€™s broken in two,
G Cadd9
Itâ€™s lying on the floor next to where I met you,
G Cadd9 D
I know itâ€™s a dream but I know that itâ€™s true and I cry.

[chorus]

C D
They never said it would end up like this,
G Em
My headâ€™s in the fog and my lifeâ€™s on the piss,
C D G Am C D G C Am D
And you are the only thing I ever miss anymore.

[verse]

G Cadd9
They told me that it would get better with time,
G Cadd9
But everydayâ€™s longer with you on my mind,
G Cadd9 D
Thereâ€™s part of me missing that I know that Iâ€™ll never find.
G Cadd9
Sometimes Iâ€™m happy and sometimes Iâ€™m sad,
G Cadd9
Remembering the best and the worst times we had,
G Cadd9 D
I think of you laughing when my jokes were bad and I smile.

[chorus]

C D

Still nobody said it would end up like this,

G Em

My headâ€™s in the fog and my lifeâ€™s on the piss,

C D G Am C D

And you are the only thing I ever miss anymore.

[instrumental]

G C Am D

G Am C D

G C Am D

[refrain]

C D

I only see when thereâ€™s no-one around,

Bm Em

I can pick out your voice when there isnâ€™t a sound,

C D G Am C D

And I wish I could say something much more profound than I love you.

[instrumental]

G C Am D

G Am C D

G C Am D

[verse]

G Cadd9

I think I would join you if I had the guts,

G Cadd9

But life is a meadow thatâ€™s ploughed full of ruts,

Cadd9 D

And weeds have grown quickly to stifle the love that we shared.

G Cadd9

Now I could let all of this stuff bring me down,

G Cadd9

But one thing you gave me when you were around,

G Cadd9 D

Was the strength to live life to the full with my feet on the ground.

[chorus]

C D

And even though it shouldnâ€™t end up like this,

G Em

With my head in the fog and my life on the piss,

C D G Am C D G C Am D

Iâ€™m glad youâ€™re the only thing Iâ€™ll ever miss anymore.

[chorus]

C D

And even though it shouldn't end up like this,

G **Em**

With my head in the fog and my life on the piss,

C **D** **G Am C D**

I'm glad you're the only one I'll ever miss anymore.

G Am C D

miss anymore.

G Am C D

miss anymore.

G C D G

miss anymore.
