Empty Me Chris Sligh

Chris Sligh- Empty Me Capo 1st INTRO: G D G D **VERSE:** D I ve had just enough of the spotlight, when it burns bright D Α To see how it gets in the blood And I ve tasted my share of the sweet life and the wild ride, And found a little is not quite enough. PRECHORUS: G BmI know how I can stray Α And how fast my heart could change.

CHORUS:

G Empty me, of the selfishness inside \mathbf{Bm} G Every vain ambition, and the poison of my pride G And any foolish thing my heart holds to. BmG Α

Lord empty me of me... So I can be filled with you

(Intro)1x

VERSE:

I ve seen just enough of the quick buys, of the best lies

Α

To know how prodigals could be drawn away.

```
(Prechorus)
(Chorus)
BRIDGE:
                    Bm
  Α
         G
                 Cause everything is a lesser thing compared to you, compared to
you
                     Bm
    Α
                 Cause everything is a lesser thing compared to you
                 So I surrender all...
SOLO:
           D
                  G
                        Bm
                              G
Chorus:
                                        G
                 Empty me, of the selfishness inside
                          Bm
                                    Α
                 Every vain ambition and the poison of my pride
CHORUS:
                                     D
                                                          G
                  Empty me, of the selfishness inside
                                     Bm
                                                                             G
                  Every vain ambition, and the poison of my pride
                                                                         G
                      And any foolish thing my heart holds to.
                                            Bm
         G
                 Lord empty me of me... So I can be filled with you (repeat
2x)
End:
         D
                 G
                        D
                               G
                      Empty Me...
```
