Tuning: Standard

Verse 1:

**Badd9** **G** **D**  
I saw a man today, his whole world across his back  
**A** **Badd9** **G**  
A living monument opposed to my success  
**Badd9** **G** **D**  
I tried to look into his eyes as he shuffled past my car  
**A** **Badd9** **G**  
Sweat beading on his skin, his clothes and hair a mess.

**Em7** **G**  
As the light turned green and I pulled away he slowly disappeared  
**Em7** **G** **A**  
Just a memory of another chance I failed to show your love here

Chorus 1:

**G** **D** **A** **Badd9** **A** **G**  
I want to love because you loved. I want to give because you gave.  
**D** **A** **Badd9** **A** **G** **D** **A**  
I want to reach my hand out to the lost cause I know your hand will  
save-ave-ave  
**B9** **A** **G** **D** **A**  
Only you can save-ave-ave

Verse 2:

**Badd9** **G** **D** **A** **B9** **G**  
I have to wonder if I really want to know  
The struggle and the pain that others feel  
Do I want to hear the stories I see echoed in their eyes  
Or is this love I say that I m reflecting even real?  
  
**Em7** **G** **Em7** **G** **A**  
As the light turns on inside my head and I slowly disappear  
I steel myself cause what You call for me is to show Your love here

Chorus 2:

I want to love because you loved. I want to give because you gave.  
I want to reach my hand out to the lost cause I know your hand will save.  
I want to love just like you loved I want to give just like you gave  
I want to reach out with your hand cause only you can save-ave-ave  
Only you can save-ave-ave

Bridge:

<b>G</b>	<b>A</b>
So, let me be your hands.	
<b>G</b>	<b>A</b>
Let me be your eyes.	
<b>G</b>	<b>A</b>
You help me understand	
<b>G</b>	<b>A</b>
That I m your hands and feet hidden behind this frail human disguise	

Chorus 3:

I want to love because you loved. I want to give because you gave.  
I want to reach out with your hand cause I know Your hand will save  
I want to love just like you loved I want to give just like you gave  
I want to reach out with your hand cause only You can save-ave-ave

Only you can save-ave-ave
