

Either Way

Chris Stapleton

G D **G D**
We pass in the hall on our way to separate rooms
G D **G D**
The only time we ever talk is when the monthly bills are due
C
We go to work, we go to church
C **G D G D**
We fake the perfect life
C
I'm past the point of giving damns
C **D**
All my tears are cried

G
We can just go on like this
Em
Say the word, we'll call it quits
C
Baby, you can go or you can stay
G
But I won't love you either way

G D
It's been so long since I've felt
G D
Anything inside these walls
G D
You can't help, you can't hurt
G D **C**
When you don't feel at all

I used to cry and stay up nights
G D G D
And wonder what went wrong
C
It's been hard
D
But hearts can only do that for so long

G
We can just go on like this
Em
Say the word, we'll call it quits
C
Baby, you can go or you can stay
G
I won't love you either way

G

We can just go on like this

Em

Say the word, we ll call it quits

C

Baby, you can go or you can stay

G

But I won t love you either way
