D Bm7
I see the sunrise creeping in
D Bm7
Everything changes like the desert wind
Em7 A
Here she comes and then she s gone again

D Bm7
I m just a traveller on this earth
D Bm7
Sure as my heart s behind the pocket of my shirt
G Em7
I just keep rolling till I m in the dirt
D Bm7
Cause I m a traveller, oh, I m a traveller
D Bm7
I couldn t tell you honey, I don t know
D Bm7
Where I m going but I ve got to go
G Em7
Cause every turn reveals some other road
D Bm7
And I m a traveller, oh, I m a traveller

D Bm7
My heartbeat s rhythm is a lonesome sound
D Bm7
Just like the rubber turning on the ground
Em7 A
Always lost and nowhere bound

D Bm7
I m just a traveller on this earth
D Bm7
Sure as my heart s behind the pocket of my shirt
G Em7
I just keep rolling till I m in the dirt

D Bm7
Cause I m a traveller, oh, I m a traveller

D Bm7
I couldn t tell you honey, I don t know

D Bm7
Where I m going but I ve got to go

G Em7
Cause every turn reveals some other road

D Bm7
And I m a traveller, oh, I m a traveller

G
When I m gone

Em7 G
Somebody else will have to feel this wrong

Em7 G
Somebody else will have to sing this song

Em7 A
Somebody else will have to sing along, sing along

D Bm7
I m just a traveller on this earth

D Bm7
Sure as my heart s behind the pocket of my shirt

G Em7
I just keep rolling till I m in the dirt

D Bm7
Cause I m a traveller, oh, I m a traveller

D Bm7
I couldn t tell you honey, I don t know

D Bm7
Where I m going but I ve got to go

G Em7
Cause every turn reveals some other road

D Bm7
And I m a traveller, oh, I m a traveller
