

With Me

Chris Tomlin

Artist: Chris Tomlin

Song: With Me

I just heard this song and was gonna sing it for praise on Friday but found no chords
so I decided to submit these chords for anyone who wants to learn this song.
Played it by
hope it s right.

I placed the chords approximately over the word that you switch chords on to
make it
for some people. :)
Relatively easy song like many of Chris Tomlin s; just 3 chords.

Remain in Him, and He will remain in you =) Enjoy!
