I could live my whole life without a phone call the likes of which I got today
G **D** **Em** **Bm** **C** **D** **G** **D**
It was only my wife, said hello then goodbye, and told me she s going away
G **D** **Em** **Bm** **C** **G** **D**
I didn t cry, it was all cut and dried, I hung up before I realized
G **D** **Em** **Bm**
I turned up the stereo, I walked to the window
C **D** **G** **D**
And stared at the storm clouds outside
G **D** **Em** **Bm** **C** **G** **D**
I play classical music when it rains. I play country when I am in pain.
C **G** **B7** **Em** **D** **C**
Now I won t play Beethoven cause the mood s just not right
G **D** **G** **D** **Em** **Bm** **C** **D** **G** **D**
I feel like Hank Williams tonight

G **D** **Em** **Bm** **C** **G** **D**
There s no explanation, not even a reason, no talk of the good times we had
G **D** **Em** **Bm** **C** **D** **G** **D**
Was it me, was it her? I don t know for sure. That s why I m feeling so bad
G **D** **Em** **Bm** **C** **G** **D**
I play jazz when I am confused. I play country whenever I lose.
C **G** **B7** **Em** **D** **C**
But Byrd s saxophone just won t sound right.
G **D** **G** **D** **Em** **Bm** **C** **D** **G** **D**
I feel like Hank Williams tonight.

G **D** **Em** **Bm**
Lately I ve been thinking I just might quit drinking,
C **G** **D**
but now I don t know all and all.
G **D** **Em** **Bm**
I just might stay home and get drunk all alone,
C **D** **G**
and punch a few holes in the wall
G **D** **Em** **Bm** **C** **G** **D**
When I m real high I play rock&roll, I play country when I m losing control
C **G** **B7** **Em** **D** **C**
I don t play Chuck Berry quite as much as I like
G **D** **G** **D** **Em** **Bm**
But I sure feel like Hank Williams tonight
C **D** **G** **D** **Em** **Bm** **C** **D** **G**
I feel like Hank Williams tonight.
