

**Remember When Push Rewind**  
**Chris Wallace**

Hope you enjoy!

Verse

**Fm** **G#**  
I m sitting with an empty glass and a broken heart,

**Fm** **Eb**  
Thinking to myself what have I done,

**Fm** **G#**  
Cause as my future got bright we started losing light,

**Fm** **Eb**  
And I couldn t see that you were the one,

**Fm**  
So can we push push push rewind,

**G#**  
Go go back in time,

**Fm** **G#**  
When we were kids sneaking bottles of wine,

**Fm** **G#**  
Take take take me back, I wanna go back,

**Fm** **Eb**  
Back to what we had!

Chorus

**G#** **Fm**  
Do you remember when we started this mess,

**C#** **Eb**  
My heart was beating out of my chest!,

**G#** **Fm**  
Remember when we stole your dad s car,

**C#** **Eb**  
I never thought we d take it that far,

**G#** **Fm**  
Oh we were flying so high, yeah partners in crime,

**C#**

**Eb**

So why d we ever say good bye?,

**G#**

**Fm**

**Eb**

Remember when we, when we, had it all

**G#**

Do you remember when...

Happy Playing!
