

**Hold You To It**  
**Chris Young**

Chris Young  
Hold You To It  
Standard Tuning

Intro  
**G, Am, C, G**

Verse  
**G** **Am**  
Girl, you wear the hell out of that dress  
**C**  
And I can hardly catch my breath  
**G**  
When I see you look this way  
**Am**  
And Ive been sittin here all night long  
**C**  
Waitin on your favorite song  
**G**  
Its finally startin to play

Chorus  
**G**  
Baby, do you feel that bass line pumpin  
**Em** **Am**  
Tell me, can you hear that kick drum thumpin on the 2 and 4  
**C**  
Let s get on that floor  
**G**  
Love to hear the slide of the guitar ringin  
**Em**  
Melody s sayin everything I m thinking  
**Am** **C**  
And I m startin to think you think it too  
**C** **Am**  
I love the way you re movin  
**C**  
Feel the backbeat groovin  
I wanna hold you to it

Verse  
Damn, when you start to sway your hips  
I start thinkin about your lips  
On mine and mine on them  
And I love dancin with you so much  
I ask the DJ to turn it up  
And keep playin that song again and again and again

Chorus

Solo

**G, Em, Am, C**

Chorus

Baby, do you feel that bass line pumpin

Tell me, can you hear that kick drum thumpin on the 2 and 4

Let s get on that floor

Love to hear the slide of the guitar ringin

Melody s sayin everything I m thinking

And I m startin to think you think it too

I love the way you re movin

Feel the backbeat groovin

I wanna hold you to it

Yeah, I wanna hold you to it
