Love don t let me down

[Patty]

Been on the bad side of a lotta goodbyes

Sometimes it felt like I was out of tears to cry

So for my own sake I put my heart away

Thought I d try again on some sunny day

Then I saw the light in your eyes this morning

And somehow I knew

I was gonna take a chance with you

Try to see this through

So I ll be hopin you

[Both:]

Don t let me down
