weekend on the rocks

and an old school jukebox  
C  
with a little johnny lee on

Dm  
the buzz i love to be on

G  
You put a double of your troubles

G Dm C/E F G C  
the light at this end of the tunnel is N--e-----on

the sun can do the job in the daytime

but the moon ain t quite bright enough

to light up the way to playtime for people like us

just like a beachside beacon

callin all the ships back home

a few thousand volts to cut through the smoke

the windows are tinted

that s why they invented

Chorus

instrumental

**F**

You know I ve seen it all
