

**Bm A D G**  
And son she took my breath away  
          **Bm A D G A**  
And she still does to this day

[REPEAT CHORUS]

**D**  
That s how you know  
          **A Bm**  
When it grabs a hold of you and won t let go  
          **G D**  
When you feel like she s always been in your soul  
          **A Bm**  
And as time goes by she s still surprisin you  
          **A G**  
That s how you know it s true  
          **Em A**  
When a new love feels old  
          **G D A**  
And an old love feels new

**G D A**

**Bm A D**  
And now I finally see  
          **G**  
Just what he means  
          **Bm A D C A**  
Cause that s how I feel now that you re with me  
          **D**  
That s how I know  
          **A Bm**  
Cause you grabbed a hold of me and won t let go  
          **G**  
And it feels like you ve always been in my soul

[REPEAT CHORUS]

**D**  
That s how you know  
          **A Bm**  
When it grabs a hold of you and won t let go  
          **G D**  
When you feel like she s always been in your soul  
          **A Bm**  
And as time goes by she s still surprisin you  
          **A G**  
That s how you know it s true  
          **Em A**  
When a new love feels old  
          **D A G**  
And an old love feels new
