

**Save Water Drink Beer**  
**Chris Young**

Drop D Tuning

Verse 1:

**D**

It ain t rained in four months One cigarette spark ll burn the whole town up

**G**

**D**

That ole well is plum dry, City put a limit on the water you can buy

**A**

**G**

**D**

We don t mind cause round here. We save water, and drink beer

Chorus:

**G**

Ice cold, genuine, raise em up, drip em dry

**D**

Hollar and Swaller ya ll support your local wildlife

**A**

**G**

Do your part around here

**D**

Just save water, and drink beer

Verse 2:

**D**

We re going green hey look at us

**D**

We re maybe even doing just a little too much

**G**

Poppin tops, getting tans

**D**

And that s the price we ll pay, Til the long drought ends

**A**

**G**

We help the world round here

**D**

We save water, and drink beer

**G**

Ice cold, genuine, raise em up, drip em dry

**D**

Hollar and Swaller ya ll support your local wildlife

**A**

**G**

**D**

Do your part around here, Just save water, and drink beer

Bridge:

**E**

**F**

Volunteer, we ll start tonight

**G**

Plant a seed, and tell friends

**C**

They got to drink a little

Chorus:

**G**

Ice cold, genuine, raise em up, drip em dry

**D**

Holler and Swaller ya ll support your local wildlife

**A** **G**

Do your part around here

**D**

Just save water, and drink beer

**A** **G**

Say it loud, say it clear

**D**

Save water, drink beer
