(C) I just can t (F) help but hear em

(C) Man, I (G) can t avoid it

(Dm7) I (F/E) hear (F) voices

(Dm7) I (F/E) hear (F) voices (G) like

Turns out I m pretty dang lucky

For all that good advice

Those hard to find words of wisdom

Holed up here in my mind

And just when I ve lost my way

Or I got to many choices

I hear voices

I hear voices like

My dad sayin quit the team

And you ll be a quitter for the rest of your life

Mama tellin me to say a prayer

Every time I lay down at night

And grandma sayin if you find the one

You d better treat her right

Yeah, I hear voices all the time

(Bb) Sometimes I try to ignore em

(F) But I thank God for em

(Dm7) Cause they made me who I (G) am

Repeat 1st Chorus

Yeah (Dm7) I (F/E) hear (F) voices (G) all the (C) time
