In that red sundress that she just bought

Causing a traffic jam on a greenlight

You ought to see her when sheâ€™s on that front porch in those cut-off jeans

Humming along to some old Haggard song

**D**

**G**

**C**

You ought to see her when sheâ€™s on

**G**

Down at the office in those high heels

**Em**

Looking like a million, closing big deals

Sheâ€™ll remind the boys eyes are way up here

**B/D**

**C**

Yeah thatâ€™ll make you smile ear to ear

**D**

**G**

You ought to see her when sheâ€™s on that leather couch reading that fairy tale

To a sleepy eyed little girl in pajamas and ponytails

**D**

**C**

Saying one day your prince charming will come along

**D**

**G**

**C**

You ought to see her when sheâ€™s on

**D**

In those old cut-off jeans

When you see her dressed to kill

**C**

And it drops your jaw

**D**

**G**

You ought to see her when sheâ€™s on that leather couch

**Em**
