The bluest skies donâ€™t seem so blue

Now that youâ€™re around you put them all to shame
C F# E
Let me break it down cause what Iâ€™m trying to say is

[Chorus]

Am F# Bm7 E
No one gets me like you when you kiss me
Am F# Bm7 E
Girl you rock me hotter than some downtown band
Am F# Bm7 E
I thought I knew what love was but I didnâ€™t have a clue
Am F# Bm7 E
Iâ€™ve never found anything that makes me feel like I do about
Am F# Bm7 E Am F# Bm7 E
You

[Verse]

Got a whole new direction it seems these days

My priorities are different I canâ€™t leave you alone

[Chorus]

Am F# Bm7 E
No one gets me like you when you kiss me
Am F# Bm7 E
Girl you rock me hotter than some downtown band
