

Porcelain Doll
Chrisette Michele

I can't even believe we're havin' this conversation again
Oh my God
Here's the thing I need you to stop treatin' me

As if I'm simple or naive
As if I don't know nothin' 'bout the world

I understand you think you're protectin'

Dm

me

Well, I could use a little room to

F

breathe

And the respect you give a woman not a girl
Here's the thing I appreciate all the love

The constant caterin', kisses and hugs
But lately I'm wonderin' what you do it for
If the reason you act all over sweet is

'Cause you want to keep me on a leash
I have no choice but to show you the door

If you wanna cradle

C#

me like a

F

little

girl

And lock me down,

Am

I'm not your possession

I'm a

C

full grown woman, I

G

am not your porcelain doll
If you wanna cradle me like a little girl

And lock me down, I'm not your possession

C

I'm a full grown woman, I am not your

C#

porcelain

doll

Hereâ€™s

F
the thing you wanna put me in fancy clothes
And take me everywhere you go
And show me off to all your fancy friends, okay
Well, hereâ€™s the thing I really donâ€™t mind the clothes

I love a nice dress with some open toes
But a trophy Iâ€™m not so baby think again, hey
And hereâ€™s the thing you always wanna hold my hand

And say things to me like Iâ€™m the man

So let me do what a manâ€™s

C
suppose to do, okay

Well, hereâ€™s the thing you can

F
be the man all the while
Understandinâ€™ Iâ€™m not a child
Youâ€™re the man for sure but baby Iâ€™m grown too, hey

If you wanna cradle

G
me like a little girl

And lock me

A#m
down, Iâ€™m

F
not your possession

Iâ€™m a full

Am
grown woman, I am not your porcelain doll

If

G
you wanna cradle me like a little

C#
girl

And

F
lock me down, Iâ€™m not your possession
Iâ€™m a full grown woman, I am not your porcelain doll

A#m

Said you gotta

C#
respect me totally otherwise Iâ€™m gonna up and leave
And baby I know you donâ€™t want me to do that
Babe you gotta respect me totally, so when I say back up off of me
Just kiss my cheek and politely move back

C

Oh, you wanna

G
cradle me like a little girl

And lock me down,

F
Iâ€™m not your possession

Iâ€™m a

Am
full grown woman, I am not your

C
porcelain doll, hey, hey, hey
You wanna cradle me like a little girl

And lock me down, Iâ€™m not your possession

Iâ€™m a full grown woman, I am not your porcelain doll, hey, hey, hey

Iâ€™m a full

F
grown woman, I am

Fm
not your porcelain doll, one more time
Iâ€™m a full grown woman, I am not your porcelain doll

Thatâ€™s it in

Gm
A

nutshell
