Hope
Christian Akridge

[Intro]
E C#m (2x)

[Verse]
```
E                         A       C#m
Making bad decisions is my middle name
E                    C#m
Someone come put me out of my pain
E              A C#m            F#m
I broke her heart, and man what a waste
E                     A          C#m
She asked me to dance I said  I could not
E                    A        C#m     E              A
Never did I think that I d get caught in those lovely hands
          C#m      F#m
And beautiful arms
```

[Hook]
```
E       A           E A
And I, I am broken, and I, I m sending hope
E                        C#m                      F#m
Hoping she would come back, back for a better day
E      A   C#m          E      C#m
And I, I need your love, and I wanna feel your touch
E                        C#m                F#m
Should ve never put you on the side and out of my way
```

[Verse]
```
E                            C#m     E        C#m
Fell in love, a guy got caught up thought she hated my stinkin  guts
E                    C#m      F#m
That s why I didn t talk to her for days
E           A         C#m           E
I came back and she asked why her heart was broken
C#m         E                       C#m     F#m
She would cry I remember every single second of that night
```

[Hook]
```
E       A           E A
And I, I am broken, and I, I m sending hope
E                        C#m                      F#m
Hoping she would come back, back for a better day
E      A   C#m          E      C#m
And I, I need your love, and I wanna feel your touch
E                        C#m                F#m
Should ve never put you on the side and out of my way
```

[Outro]
A
Now that she s not around
C#m
That smile brings me down
A   **C#m**   **F#m**
Now that she s not around
E   **A**   **C#m**   **E**
Making bad decisions is my middle name
