The Way You Look At Me by Christian Bautista

INTRO: **C# G# F#**

C# G# F#
No one ever saw me like you do
C# G# F#
All the things that I could add up too
F# G# F#
I never knew just what a smile was worth
C# G# F# G#
But your eyes say everything without a single word.

CHORUS:

C# G# F#
Cause there s something in the way you look at me
C# G# F#
It s as if my heart knows you re the missing piece
F# C# G# F#
You make me believe that there s nothing in this world I can t be
F# G#
I never know what you see
F# G# C# G# F#
But there s something in the way you look at me.

C# G# F#
If I could freeze a moment in my mind
C# G# F#
It ll be the second that you touch your lips to mine
F# G# F#
I d like to stop the clock, make time stands still
F# G# F# G#
Cause, baby, this is just the way I always wanna feel.

(Repeat CHORUS)

BRIDGE:

F# C# G# G#pause
I don t know how or why I feel different in your eyes
F# C# G#
All I know is it happens every time.

[Repeat CHORUS]
