

Let Me Go
Christian Kane

Tuning: Half step down (Standard in live versions)

D

They were sitting on his tailgate

DM7

She was loving on his rough neck

G

She was talking bout running away

He was puffing on a cigarette

D DM7 G

Just thinking

How am I gonna say goodbye

D DM7 G

D

He said girl you got it good here

DM7

You dont need to mess with

G

A guy going nowhere

She said how about Texas

Bm

He got up and shook his head then said

A

Aint you been listening

G

Its never gonna work out

And I think itd be a good time now to

D

Let me go

G

You dont need me baby

D

G

Stop holding on the way you are

Bm

A

Dont you know Im no good for you

G

And itll only break your heart

If you dont

D

Let me go

D DM7 G

D

He said other than a dreamer

DM7

I aint nothing but a drifter

G

You could do a lot better

He leaned over and he kissed her

Bm

He said you got another year of college and

A

A good mama and a daddy

G

And me I got 93 dollars

And this old 82 Chevy

D

Let me go

G

You dont need me baby

D

G

Stop holding on the way you are

Bm

A

Dont you know Iâ€™m no good for you

G

And itll only break your heart

If you dont

D

Let me go

Em7

She said nice try

D

G

But you cant hide behind those shades there on your face

Em7

See I dont think youre all that tough

D

I just think youre scared of love

G

And I think I wont take up that much space

D

G

Let me go take me with you baby

D

G

Its so cold outside your arms

Bm

And we both know

A

G

That youre not as strong as you think you are

D

G

So let me go take me with you baby

D

G

I belong where you are

Bm

Don t you know

A

G

I m so good for you and itll only break your heart

Down the road

If you dont

D

G

Let me go

D

G

With you baby

D

G

Let me go

D

G

With you baby

D

G

D

G

Just let me go

D DM7 G
