Two Souls Acoustic Christian Kjellvander

Capo on 5th fret (chords relative to capo) verse Your eyes are emeralds, As we drive a pass Always thinking about that this could be the last And we re both breathing but, I hear your breath You can only ever die in two arms and I like yours the best chorus And I ve got one hand reaching for heaven And the other one is dragging in the dirt And I ve got two souls, one s gonna love you And the other one is gonna cause you hurt **C D G x**2 verse C And any day now, we ll be at ease C Any day now we ll rise up off our knees Barely hurting, hardly tears And I ll keep it right here with all my other years chorus And I ve got one hand reaching for heaven And the other one is dragging in the dirt And I ve got two souls, one s gonna love you D And the other one is gonna cause you hurt
