

**Never Be Afraid Again**  
**Christian Walz**

Christian Walz - Never Be Afraid Again  
Chords by Jacob Langer  
Chordstructur @ the bottom

Versel:

**E D A D E**  
I won t breathe you now, I won t let you take me down  
**D A D**  
To your underworld, to your underworld,  
**E D A D E**  
I will follow thee, rising bubbles to the sky  
**D A D**  
Like a melody, like a melody...

Pre-Chorus

**F#m E D F#m E D**  
I will never be alone, this could be my other home

Chorus:

**A F#m C#m E A**  
I will never be afraid again, hold your breath then count to ten  
**F#m C#m D A**  
Stay for silence, stay for when I will never be afraid again  
**A F#m C#m E A**  
No I ll never be afraid, close your eyes and count to ten  
**F#m C#m D A**  
Stay for silence, stay for when I will never be afraid again

Verse2:

**E D A D E**  
It s a sudden change, from the surface to below  
**D A D**  
It s a different town, but you ve got underground  
**E D A D E**  
You used to SOS, when you know you gonna drown  
**D A D**  
Try to stay alive, surrender to survive...

Pre-Chorus:

**F#m E D F#m E D**  
I will never be alone, this could be my other home

Chorus:

**A**            **F#m**                                    **C#m**            **E**                                    **A**  
 I will never be afraid again, hold your breath then count to ten  
                  **F#m**                                    **C#m**                                    **D**                                    **A**  
 Stay for silence, stay for when I will never be afraid again  
**A**    **F#m**        **C#m**            **E**            **A**  
 No I ll never be afraid, close your eyes and count to ten  
                  **F#m**                                    **C#m**                                    **D**                                    **A**  
 Stay for silence, stay for when I will never be afraid again

Bridge:

**D**                                    **E**                                    **D**                                    **E**  
 Find a light above the sea (oh no). Cross your heart and follow me  
**D**                                    **Bm**                                    **E**  
 Imagine how it all could end, imagine how it all could be

Chorus:

**A**            **F#m**                                    **C#m**                                    **E**                                    **A**  
 I will never be afraid again, hold your breath then count to ten  
                  **F#m**                                    **C#m**                                    **D**                                    **A**  
 Stay for silence, stay for when I will never be afraid again  
**A** **F#m**        **C#m**            **E**            **A**  
 No I ll never be afraid, close your eyes and count to ten  
                  **F#m**                                    **C#m**                                    **D**                                    **A**  
 Stay for silence, stay for when I will never be afraid again
