C/E F C

[Verse 1]

C/E F C

When I was young I would look in the mirror

C/E F C

Didn't know it then but now it couldn't be clearer

C/E F C

That I remember being filled with such wonder

C/E F C

Before learning that the world could be harsher

C/E F C

C/E F C

C/E F C

Who you love or the color of your skin

C/E F C

Or the place that you were born and grew up in

C/E F C

Shouldn't decide how you will be treated

C/E F C

Cause we're all the same when everybody's breathing

[Chorus]

C/E F C

Waiting for a change to set us free

C/E G C

Waiting for the day when you can be you and I can be me

C/E F C

Waiting for hope to come around

C/E G C

Waiting for the day when hate is lost and love is found

Am G/B C Am G/B C

Waiting for a change, waiting for a change

C/E F C C/E F C

Change, change

[Verse 2]

C/E F C

For all the brave and the souls who went before us

Stand tall, then proudly lift your voices

C/E F C

Let em know who we are and our choices
C/E **F** **C**
And one day we won t have to sing this chorus

[Chorus]
