I Turn to you
Christina Aguilera

```
         C#                G#
When I m lost in the rain,
        F#                                   Bbm       G#
In your eyes I know I ll find the light to light my way.
               C#                 G#
And when I m scared and losing ground;
          F#                          Bbm       G#
When my world is going crazy, you can turn it all around.
             Bbm                F#
And when I m down you re there; pushing me to the top.
D#m                            G#
You re always there; giving me all you ve got.
    C#                F#
For a shield from the storm;
       C#                F#
For a friend; for a love
             Fm
To keep me safe and warm,
          G#
I turn to you.
          C#                  F#
For the strength to be strong;
        G#                F#
For the will to carry on;
            G#m
For everything you do;
          F#m
For everything that s true,
           C#
I turn to you.

         C#                   G#
When I lose the will to win,
        F#                           Bbm G#
I just reach for you and I can reach the sky again.
        C#      G#
I can do anything,
            F#                        Bbm
 Cause your love is so amazing;  cause your love inspires me.
            Fm                    Bbm
And when I need a friend, you re always on my side;
D#m                              G#
Giving me faith taking me through the night.

Bbm                     G#
For the arms to be my shelter through all the rain;
```

```
      Fm
For truth that will never change;
    G#
For someone to lean on;
Bbm               G#
for a heart I can rely on through anything;
         Fm
For that one who I can run to....
  D#
I turn to you.
      D#                 G#
For a shield from the storm;
      D#              G#
For a friend; for a love
To keep me safe and warm,
  D#        A#
I turn to you.
        D#               G#
For the strength to be strong;
        A#               G#
For the will to carry on;
          Bbm
For everything you do;
         G#m
For everything that s true,
          D#
I turn to you.
