

Infatuation
Christina Aguilera

Ooh oh, hey
Hey...ooh ohh, hey

Am
He comes from a foreign place

E
An island far away

Am
Intrigues me with every move

E
Til I m breathless, I m helpless

Can t keep my cool

Am
Steals my heart when he takes my hand

E
And we dance, to the rhythm of the band

Am
I feel his finger tips, grip my hips

E
And I slip as we dip into a state of bliss

F7 **E**
Mama used to warn me

Am
To beware of those Latin lovers

F7 **E**
She said I gave my heart too soon

Am
And that s how I became your mother

Dm **E**
I said ay mama, you seem to forget

Am
I m not in love yet

Sweet talk don t win me over

F
But I realized

E
Big brown eyes can hypnotize

When he says

Am **F** **E**
I am full blood boricua

Read the tattoo on his arm (ohh)

Am **F**
He tells me, mami I need ya

E
And my heartbeat pumps so strong (oh)

Am **F**
Getting lost in el ritmo

E
He whispers te quiero, te quiero

Am **F** **E**
I begin to give in with no hesitation

Am
Can t help my infatuation

Dm
(Ah ah, ah ah, ah ah)

E **Am**
It s pure infatuation

(Ah ah, ah ah, ah ah)

E
Hey

Am
Skin the color of cinnamon

E
His eyes light up and I melt within

Am
Feels so good it must be a sin

E
I can t stop what I started

I m giving in

Am
He brings life to my fantasies

E
Sparks a passion inside of me

Am
Finds the words when I can not speak

E
In the silence, his heartbeat is music to me

F7 **E**
Mama used to warn me

Am
Not to rush love with another

F7
She said I m not trying to lecture

Am
I just care about my daughter

Dm **E**
Ay mama, you seem to forget

Am
I never will let

A man control my emotions

Dm

But when he smiles (when he smiles)

E

I feel like a little child

When he says

Am F E

I am full blood boricua

Read the tattoo on his arm (ohh)

Am F

Dm

Caught between my mama s words

I m wanting to explore his world

E

But a part of me wants to hide

Dm

E

This has caught me by surprise
